As a supplier to SEM AB we are hereby certifying that:

- Our products are in compliance with European Union Directive 1907/2006 on the Registration Evaluation Authorization and Restriction of Chemicals (REACH).
- Each and every component of our products are categorized as either “chemicals” or “articles” under the REACH Regulation.
- It is not intended that the components of our articles, nor the packaging in which they are delivered, releases substances during normal and reasonably foreseeable conditions of use.
- We will continue to monitor the status of the candidate list of SVHC as part of our on-going compliance activities including the possible need under Article 33 of Reach to inform product recipient SEM AB if an article contains more than 0,1% weight by weight per article of any substance that is added to the SVHC candidate list in the future.
- Our products are in compliance with European Union Directive 2011/65 on the Restriction of the use of certain Hazardous Substances (RoHS).
- Our products are in compliance with restrictions regarding Conflict Minerals such as the Dodd-Frank Wall Street reform and Consumer Protection Act.
- We have taken steps to ensure that the origin of the metals in components and materials are derived from Conflict Free mines and smelters.
